

Flexible LED Wall Washer Light

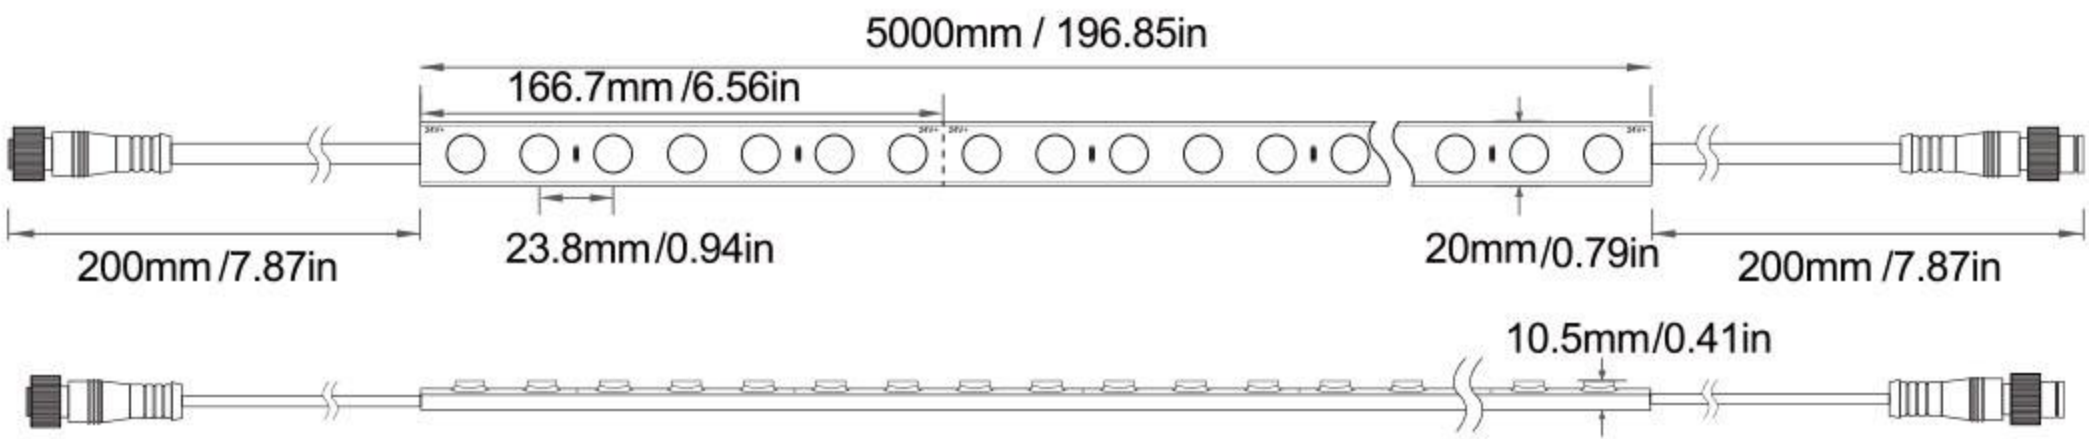

2835-42D-20MM-24V

Adopting PU glue material, it's resistant to yellowing, high temperature, corrosion, weak acid and alkali, and has great flexibility. so that it has strong adhesion, good durability and high reliability. It can replace the traditional hard wall washer light or LED strip. It's small in size, light in weight, flexible and easy to install.

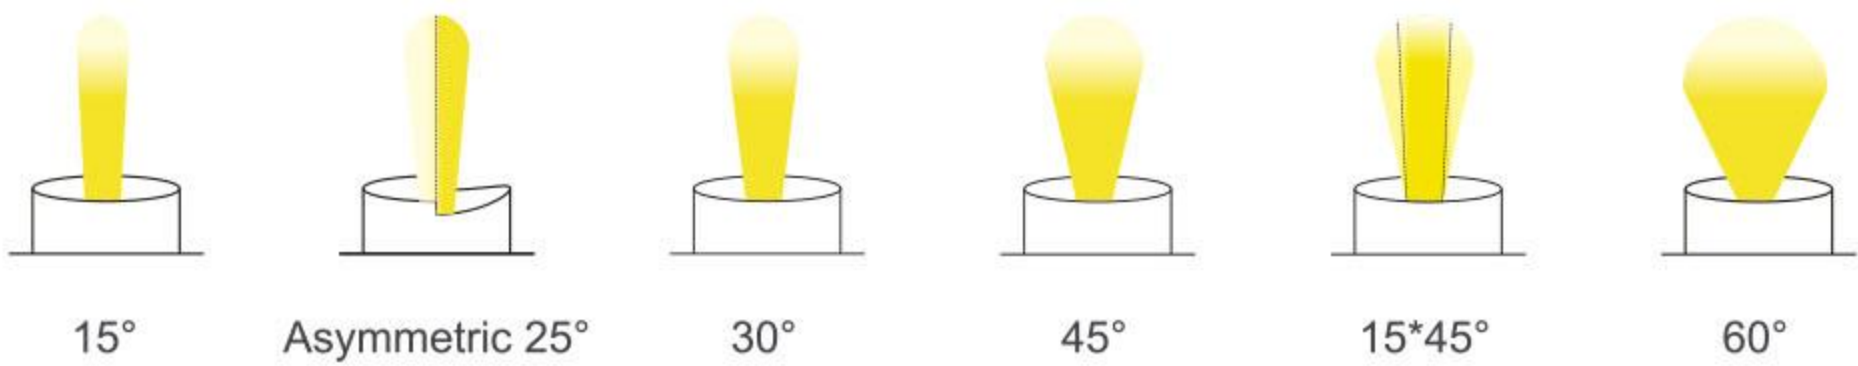

Specifications

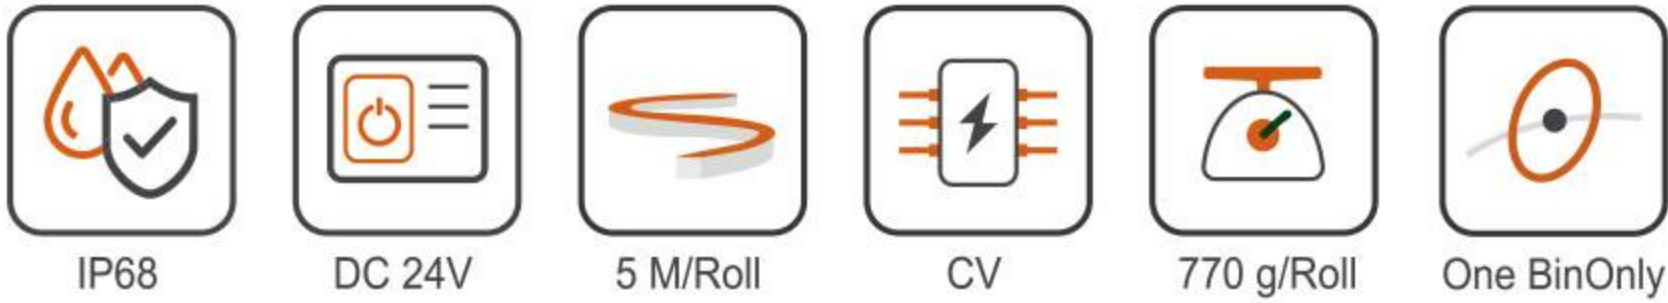

* 42LEDs/M
